

To whom it may concern:

I do not want the NJ "Do not call list" to be overturned. I do not wish to be bothered at home by sales people. When I'm interested in a product, I will do the calling for information on my time. I have been enjoying the fact that my telephone is not constantly ringing and when my telephone rings, I am confident it is someone I or my family knows. The telemarketers are, for the most part, rude and inconsiderate. Most bearly speak english, thereby making sense of what they are talking about difficult. I DO NOT BUY ANYTHING FROM PEOPLE CALLING ME AT HOME. I take my business to places I check out first. DO NOT OVERTURN THE NJ "DO NOT CALL LIST". That would be a diservice to all the residents of NJ.
